**PRELIMINARY DRAFT - NOT READY FOR INTRODUCTION**

- 1     **AN ACT** *to amend* 49.175 (2) (a) and 49.175 (2) (c) of the statutes; **relating to:**  
2             approval authority over reallocation or reduction of Temporary Assistance for  
3             Needy Families funds.

***Analysis by the Legislative Reference Bureau***

Under current law, the Department of Children and Families is directed to allocate in each fiscal year specific amounts of money, including federal moneys received under the Temporary Assistance for Needy Families (TANF) block grant program, for various public assistance programs (commonly known as the TANF schedule). Under current law, DCF may reallocate funds that are allocated for one purpose in the TANF schedule for any other purpose in the TANF schedule if the secretary of administration approves the reallocation. Also under current law, if the TANF moneys received from the federal government are less than the amounts appropriated for the purposes under the TANF schedule, DCF is required to create a plan for reducing the amounts of moneys allocated under the TANF schedule and to carry it out if the secretary of administration approves the plan. This bill replaces the authority of the secretary to approve a reallocation or a plan to reduce the moneys allocated under the TANF schedule with passive review by the Joint Committee on Finance.
